

SEE 2010 Registration

Circuit Designing Competition

Institute Name: _____

Participants Details:

No.	Name	CNIC Number	Cell Number	Email
1.				
2.				

Status at Institute: _____
(1st Year, 2nd Year, 3rd Year, 4th Year)

Agreement:

I have carefully read the terms and conditions of SEE'10. I have no objections concerning any of these terms and conditions and agree to pursue them all. In case of any violation, I – the team leader will be responsible.

Team Leader: _____ Signature: _____

Certificate of Studentship:

I hereby certify that the above mentioned are students of this institute and that the above mentioned information is correct.

Name: _____ Designation: _____

Signature: _____ Date: _____

For Office Use Only:

Received on: _____ Form Number: _____

Terms and Conditions for Circuit Designing Competition

1. Incomplete forms will not be processed.
2. Information given by the students must be correct. In case of any wrong information, the participation of the team can be challenged.
3. An institute can send maximum two teams for circuit designing competition, such that each team has only two members.
4. Each team will work independently on its project. No access to the Internet is permitted. Each team receives a sack of parts. No other parts are allowed.
5. Questions will be asked about the circuits and the concepts of circuit analysis, digital electronics etc.
6. Meeting the specifications (the closeness of the teams' results to the initial specifications requirements) as demonstrated to the judges, the economy and "cleanness" of the design are the judgment criteria.
7. The decision of the evaluators will be final.
8. Registration fee for circuit designing competition is PKR250 per team.
9. SEE organizing committee reserves the right to change any rules and regulations without any prior notice.
10. **Mandatory requirements for participation in Circuit Designing competition:**
 - a. An Institute must be participating in either final year project competition or research paper competition.
 - b. Teams participating in final year project competition and research paper competition cannot participate in circuit designing competition.
